

### Stop germs:

Please wash your hands before entering and after leaving hospital.

Use the hand gel when you enter and leave the ward. This helps to keep people well.

## Learning Disability Liaison Nurses

**Karen Howsam**

**Nichola Edmonds**

Learning Disability Liaison nurses are working in the hospital to support people with a learning disability and their carers.

**Safe & compassionate care,**

**every time**

# Why are we here?

To help people with a learning disability to have their health needs met by hospitals in Buckinghamshire NHS Trust.

To help people with a learning disability have a good experience in hospital.

We work closely with the community teams and care providers in the area.

# How we can help

Support with emergency admissions.

Support with outpatient appointments.

Support your stay in hospital.

Help with going home.

Give training and support to staff in the hospital.

Make letters and leaflets easy to read and understand.

Improve the use of the health passports.

Support to families and carers.
